

Update Concerning Apex Electric Supply Operations

Since Governor DeWine has re-opened business in Ohio, we continue to take precautionary measures to ensure the health and safety of our customers and employees, while maintaining our service to you.

Our days and times of operation will remain the same with the exception of Saturdays.

If you have an urgent need/emergency that can't wait until Monday, we can be reached Saturdays between 8am to 12pm by calling 330-612-5976 to make arrangements.

For Curbside Service during the week, Monday through Friday:

- 1) Calling in your order before arrival will help expedite service.
 - 2) Upon arrival, give us another call from your vehicle and the first available salesperson will bring your order out to you.
 - 3) Signs are posted on the front door to contact us upon arrival.
 - 4) Our delivery service will continue as usual. For documentation purposes, Apex drivers will get the name of the person accepting the delivery, date and time of the delivery in place of signatures.
- We welcome a call to the office at 330-253-5157 with any questions.
 - Please pass this notice to anyone that you feel would benefit from having the information.

Taking care of customers is at the center of everything we do, and we will continue to work with our employees and suppliers to ensure that we maintain a high-quality level of service to our customers.

Thank you for your understanding and support during the last few months.

Sincerely,

Anthony Gatto-President * Rick Palshook-VP * Dominic Palshook-GM
